#### Security Staff

SIA registered crowd stewards, door supervisors and close protection

All Outdoor Medical Solutions Staff have a current CRB.

These are checked on an annual basis.

*“OMS were fantastic when I seriously injured my leg at a moto cross event. Their calm manner and excellent medical knowledge helped to reassure me”*

*“ Nick and Shane were great thanks. Very attentive... they were excellent in using common sense and paramedic skills to keep the production going but also deal with the injured person”*

## Medical Equipment and Available Resources

We are able to provide the resources to fulfil your needs as advised by the Health and Safety Executives Guide to Event Safety known as “The purple guide.”

*We can offer*

### Fully Equipped Emergency Ambulances

Equipped to NHS standard

### 4x4 Ambulances

For difficult terrain and hard to reach places

### Quad bikes and Golf Buggy's

For Rapid Response and Difficult Terrain

### Cycle Response units

We have access to ambulance response cycles which are ideal at events where vehicle access is limited

### Static Treatment Centres

Temporary structures such as marquees or tents consisting of a treatment bay with bed capability

### Rapid Response Cars

Marked – For covering large distances quickly and efficiently

Unmarked – If there is a requirement for a vehicle not to be clearly visible unmarked vehicles are available with covert blue light and siren systems

All our vehicles are fully equipped and carry defibrillators and full resuscitation equipment as standard. All our equipment is regularly tested and calibrated to ensure accuracy and efficiency.

In addition to full medical kit we can also provide where appropriate and required:

+ Two way radio communications operated on our own frequencies

+ Satellite Navigation systems

+ Personal protective equipment

*“Sam and the team are fantastic and always willing to go the extra mile. We couldn't manage without them”*
